Derby is an online platform that enables users to compete head-to-head against friends in a fantasy sports style competition, but for popular TV shows

PROFESSIONAL EXPERIENCE

Program Manager NuWest Group Holdings, LLC. - Bellevue, WA

Apr 2018 - Aug 2020

- Owned Bullhorn Applicant Tracking System / Customer Relationship Management system roadmap including workflow process improvements, integrations, and documentation of standard operating procedures, contributing to 267% internal headcount increase over two years
- Analyzed data from over 300,000 CRM/ATS records and used results to design dashboard solutions for all levels of employees, including CEO. Created new candidate compliance tracking dashboards, decreasing average time to compliance from 17 days to 4 days
- Led a team of 5 on developing and onboarding the first client to NuWest Reach, a Vendor Management System to assist hospital clients impacted by COVID-19. Achieved go-live date 8 weeks ahead of schedule and brought in \$18.5M in revenue in 2020
- Founding member of NuWest Diversity & Inclusion committee

Customer Experience Intern Launch Consulting Group - Bellevue, WA

Oct 2017 - Apr 2018

- Identified lack of image compression on the corporate website. Resolved issue by compressing images, reducing average page load time from 7 seconds to 3 seconds
- Developed LaunchCG web pages on WordPress and designed branded career fair collateral

Business Intern NuWest Group Holdings, LLC. - Bellevue, WA

Jun 2016 - Oct 2017

- Analyzed data and staffing metrics and created reports to be used in quarterly business reviews with top clients
